COUNCIL COMMUNICATION

AGENDA TITLE: Funding For Police "Partners" Volunteer Program

MEETING DATE: December 1, 1993

PREPARED BY: Police Chief

RECOMMENDED ACTION: That the City Council approve \$5,000 "seed" Money be allocated to Lodi Police Department to purchase needed supplies and equipment for the "Partners" Volunteer Program.

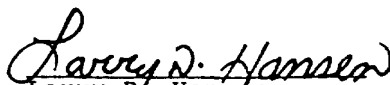

(Please refer to the attached list of anticipated expenses for this program.)

BACKGROUND INFORMATION: The Lodi Police Department's first Volunteer Police Academy began on Monday, November 29, 1993 with a class of 17 participants.

It is the goal of the Police Department to be able to fund this program through contributions from the community, but funds are needed to get the program initiated. Because this is a new program, we know there will be unanticipated expenses and it will take time to develop accurate budgeting.

The Council should be aware that there may be a future request for additional funds until this program can become totally self-sufficient.
